

# Rotating Drogue

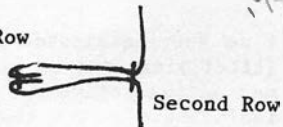

by Raymond Brandes

1. Line up top edge of one with bottom edge of next, wrong sides together. Stitch close to edge. Use alternating, contrasting colors.

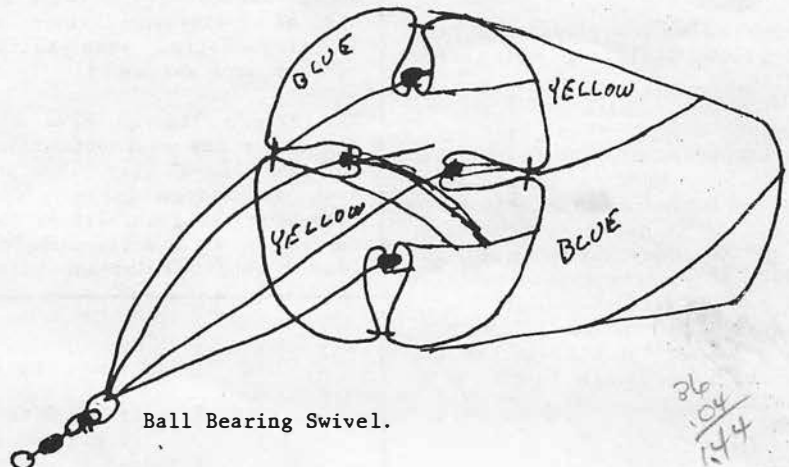

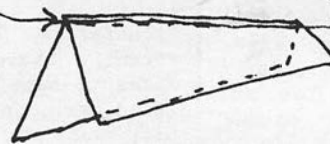

2. Now fold right sides together and place a row of stitches .04X from the first.

First Row

3. Bridle length is 2.00X. Attach to points as shown.

STITCH CLOSE TO EDGE

NOTE: X = Desired Length. Multiply dimensions by X for pattern sizes.
